KENDALL'S SPAVIN CURE

The Most Successful Remedy ever discovered, as it is certain in its effects and does not blister. Also excellent for human flesh. Read proof below.

From a Prominent Physician. Washington, D. C., June 12, 1880. DR. R. J. KENDALL & Co., Gents: I have your advertisement in Turf Field and Park of Kendall's Spavin Cure, and having a valuable and speedy Horse which had been lame from spavin eighteen months, I sent to you for a bottle by express, which in six weeks removed all lameness and enabled me to get a large splint from another horse, and both horses are to-day as sound as colts.

The bottle was worth to me one hundred dollars. Respectfully yours, H. A. BERTOLLETT, M. D.

KENDALL'S SPAVIN CURE. Harrisburg, Pa., Nov. 18, 1880. DR. R. J. KENDALL & Co., Gents: I have a very fine mare that has had a bone spavin for a long time. I tried every thing I could devise to cure it but all in vain and was about to give it up when a friend of mine in this city came to me and recommended Kendall's Spavin Cure which I tried with grand results, removing that bone clear and clean and then I sent 25 cents to you for one of your Illustrated Horse Books and I think there is no better book printed on the horse and his diseases. I have taken great interest in it and have since sold 18 copies for you to my neighbors and will try and do what good I can by getting them for others.

Yours truly, G. W. MILLER. KENDALL'S SPAVIN CURE ON HUMAN FLESH.

Bakersfield, Vt., Dec. 22, 1879. R. J. KENDALL & Co., Gents: I wish to add my testimony in favor of your invaluable liniment, "Kendall's Spavin Cure." In the spring of 1882 I slipped on the ice and sprained my right limb at the knee joint. I was very lame and at times suffered the most excruciating pain. I wrote a bandage on it for over a year, and tried most everything in my reach, but could find nothing that would give me permanent relief. When I overheard it would pain me very much. In April 1878 I began to use it and it should be a miracle for me, but having some of "Kendall's Spavin Cure" through a friend, I used one third of a bottle, and experienced relief at once. The pain left me and has not troubled me since. I feel very grateful to you and would recommend "Kendall's Spavin Cure" to all who suffer with sprains or rheumatism. Yours truly, Mrs. J. BOUTELL.

Kendall's Spavin Cure. Is sure in its effects, mild in its action as it does not blister, and yet it is penetrating and powerful to reach any deep seated pain or to remove any bony growth or any other enlargement, if used for several days, such as spavins, splints, curbs, callous, sprains, swellings, any lameness and all enlargements of the joints or limbs, or rheumatism in man and for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man, over used, setting mild and yet certain in its effects. It is used full strength with perfect safety at all seasons of the year.

Send address for illustrated circular, which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success, to our knowledge, for best as well as sure.

Price \$1 per bottle, or six bottles for \$5. ALL DRUGGISTS have it or can get it for you. It will be sent to any address on receipt of price by the proprietors.
